Wednesday 17th June 2015

Dear Parents/Carers,

STEM Week and 'Open Maths Hour'

During the week beginning 29th June, we will be holding a STEM week (Science, Technology, Engineering and Mathematics) in school. This week will be filled with exciting activities and lessons in Maths, Science and Design Technology.

I would like to invite you to attend an 'Open Maths Hour' on **Thursday 2nd July between 9.00 and 10.00**. All teachers will be teaching an aspect of maths calculation during this hour and I would like to give you the opportunity to visit classes and see these lessons in action. You can see one lesson in one class or pop in and out of different classes over the time.

Please remember that this will be the first week in new academic year classes:

Current Robins and Year 1 – Blackbirds Class

Current Year 2 and 3 – Peacocks Class

Current Year 4 and 5 – Eagles Class

Current Year 6 – Based in the Hall and Robins Classroom

If you would like to attend, please complete and return the form below, indicating which class/ classes you would like to visit.

Kind Regards,

Ellen McCabe
Deputy Head Teacher

Name: _____
