

Week commencing: 29th January 2018

This week we celebrate Storytelling in school. We will link this, through worship, to the stories Jesus told and what these stories mean to us today.

This week also marks Holocaust Memorial Day. Mrs Rogers will lead a thoughtful worship on this day, discussing with the children how important our School Christian Values are in the wider world and as we grow up.

Week commencing: 22nd January 2018

This week we will celebrate Burns' Night in Worship. This is part of our cultural education - learning about traditions from other countries. Our School Council Reps will meet on Thursday and discuss with their classes items to take for the agenda. The meetings of this meeting will be published on the website next week. In our other Worship we will think about our School Christian Value: Friendship. We will consider how we may fall out with our friends at times and how best to overcome these difficulties. We will also think about standing up for ourselves and having the confidence to tell our friends if we are unhappy about something they have done.

Week commencing: 15th January 2018

This week we look forward. We are focussing on how, as we move forward in the New Year, our Christian School Values can be acted upon on a daily basis. Our new corridor Prayer Area asks us to "Start the New Year with Jesus in our Hearts." We will ask ourselves how we can do this. It also asks us to put "Others in our Prayers during the cold winter months." During Advent, we focussed on others. Let's continue in this way for 2018.

Week commencing: 8th January 2018

We wish everyone a very Happy New Year! It is great to see everyone back after the break.

We have started the new year celebrating Epiphany, learning about the visit of the Three Wise Men to the stable and the significance of the gifts that they brought.

In Church Worship, the Three Wise Men joined the crib scene.

Happy Epiphany!
