'Learning to Live, Living to Learn'

Introduction

This document is a statement of the aim, principles and strategies for behaviour at Hartlip Endowed Church of England Primary School.

All policies are governed by our Christian School Values which were chosen by all members of the school community: Trust, Forgiveness, Friendship, Thankfulness and Peace. These values underpin the daily diet of the whole school community.

- All members of the school community are **trusted** by all those within the school community to deliver the very best for the children in all that they do
- Things will go wrong. There is a quiet acceptance of this deployed throughout the school and the opportunity to move on and learn from this, demonstrated through the value of **forgiveness**.
- All members are **thankful** for the community to which we belong and demonstrates this accordingly
- We learn in **peace**. We accept that we all learn in different ways and have different needs that require accommodation
- We learn in **friendship**; supporting each other to achieve to our very best potential at all times.

In addition, we have one rule to add to our School Christian Values: we keep our hands and feet to ourselves.
